STUDENT ASSIGNMENT

Instructions for creating your dragon:

1. You will each be given a large sheet of oak tag on which to construct your dragon. Please have your dragon design take up as much of the space as possible.

2. Once the design is completed, you may work with marker, crayon, craypas, paints, collage or any combination of these to decorate your design. On the table are many different paper samples, magazine pages, tissue paper and homemade papers. Take what you need to complete your dragon design and to make it more interesting. If you need additional supplies, check with your teacher.

3. Pay attention to all of the reading you have done about dragons when you begin constructing the
   a. head
   b. body
   c. legs and claws
   d. scales
   Refer to drawings and illustrations if you need help beginning

4. Think about a setting for your dragon: river, mountain, lake, ocean, clouds and design accordingly. Your final assignment will be to write a vivid description of the world your dragon lives in. You may want to make notes as you work.

5. When you have completed your creation, you must cut it out so that it can be attached to our “Dragon Wall.”

6. Your completed dragon is due in two weeks.
